

Process for Home School Applicants

Homeschooled students attending a recognized accredited Home School should complete the *GAMES* Application for Admission and provide required documentation as listed on the application.

Homeschooled students not attending a recognized accredited Home School

❑ should preferably enroll in their home system's high school. While the student will never physically attend this school, (s)he will receive a high school diploma from that school. The high school will evaluate the home school curriculum and produce a transcript. This transcript must be provided to *GAMES* along with the Application for Admission.

❑ may also apply by providing the following information in addition to the *GAMES* Application for Admission:

- Copy of Declaration of Intent to Home School as filed with the local Board of Education, and
- Certification Form (provided upon request), and
- One of the following:
 - ✓ SAT/ACT (English/Math) scores in the top five percentile nationally. The top percentile score typically averages 1360 but may be higher based on scores for any given year. If needed, the Institutional SAT is offered on our campus in July and August.
 - ✓ A portfolio with course work from each core class in which the student has enrolled
 - ✓ SAT Subject Test scores listed below. Scores may be used in lieu of portfolio only for the individual class in which the test was taken.

SAT SUBJECT TEST	MINIMUM SCORE
Writing	520
Literature	530
US History	560
World History	540
Math, Level 1	500
Math, Level 2	570
Biology	520
Chemistry	540
Physics	590
